DISCUSSION

Tour of SUNY Potsdam Maxcy Hall Ice Arena

Members of Council and City Staff travelled to Potsdam to tour the ice arena located at SUNY Potsdam. The tour was given by James Hoose, Assistant Athletic Director of SUNY Potsdam. This ice arena recently had renovations completed which are similar to the ones that are needed at the Fairgrounds Arena.

The areas and items reviewed were the seating (motorized bleachers and stationary seats), press box, floor matting, lighting, windows, trusses, locker rooms (home and away), skate rental area, referee locker room, and alumni hall.

Those present also discussed "naming opportunities" for the new lockers and locker rooms at the Fairground Arena.

Work session ended at 5:30 p.m.
